ACCREDITATION

MCPHS University is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. Participants will receive 6.0 contact hours (0.6 CEUs) including two hours of pharmacy law, for the live activity and are eligible to complete a complimentary 2.0 hour home study (0.2 CEUs), for a total of 8.0 contact hours (0.8 CEUs).

REQUIREMENTS FOR CREDIT:
Partial credit will not be awarded. All participants must return a signature sheet at the conclusion of the activity to claim credit, as well as log into the MCPHS website, insert the specific activity code for each session, and complete the evaluation. CE credit will be automatically uploaded to CPE Monitor upon completion of the evaluation and posted to the participant’s NABP account within 72 hours.

Attendance will be verified. Credit will not be issued to participants who arrive more than 15 minutes after the start of that particular session or to those who depart early. Credit cannot be awarded to individuals who complete the activity evaluation(s) more than 60 days post-activity.

EVALUATION:
All participants will have the opportunity to review the educational sessions and speakers and to identify future educational needs.

SUPPORT:
A complete list of grant support will be available on the day of the activity.
AGENDA

7:00 AM – 8:30 AM Registration and Continental Breakfast | Exhibits
8:15 AM – 8:30 AM Welcoming Remarks & Pre-Assessment Activity
8:30 AM – 10:00 AM Agging into the Gray Area: Guiding Principles for the Primary Care Management of Older Adults (Kristin M. Zimmerman, PharmD, CGP) – 1.5 credits

3:50 PM – 4:00 PM Post-Activity Assessment & Closing Remarks
4:00 PM Adjournment

ONLINE HOME STUDY

You’re Making My Blood Boil: Injectable Opioids and Management of Resistant Hypertension (Ricky B. Thumar, PharmD) – 2.0 credits

SPEAKERS

STUART GITLOW, MD, MPH, MBA, DFAPA
Executive Director, Brennan Physician Training Program in Addictive Disease
Associate Professor, University of Florida Immediate Past President & BPA Delegate
KAREN H. KYLE, MS, RPh
Chief Associate Pharmacist for Anticoagulant Therapy, Massachusetts General Hospital
Past President, National Association of Boards of Pharmacy

LINDA M. SPONDER, PharmD, BCPP (AD-I), FASHP
Professor of Pharmacy Practice, MCPHS University
Clinical Pharmacy Specialist in Infectious Diseases, Saint Vincent Hospital

ED TALIGER, MSW, RPh, MBA
Executive Director, Breastfeeding and Skilled Nursing Center
President, MA Board of Registration in Pharmacy

KRISTIN M. ZIMMERMANN, PharmD, CGP
Assistant Professor, Department of Pharmacy Outcomes & Sciences, Virginia Commonwealth University

GOALS AND OBJECTIVES

UPON CONCLUSION OF THIS ACTIVITY, PARTICIPANTS SHOULD BE ABLE TO:

AGING INTO THE GREY AREA: GUIDING PRINCIPLES FOR THE PRIMARY CARE MANAGEMENT OF OLDER ADULTS UAN #0025-0050-16-001-L01-P | Application-based
- Assess patient-specific care preferences
- Interpret existing literature for the care of older adults with diabetes, hypertension and hyperlipidemia
- Evaluate the feasibility of a therapeutic care plan
- Apply principles discussed to patients with multiple comorbidities

HEPATITIS C ROADMAP: WHERE WE’VE BEEN, WHERE WE ARE, AND WHERE WE’RE GOING UAN #0025-0050-16-002-L01-P | Application-based
- Evaluate current treatment algorithms for management of HCV infection, with emphasis on recent changes to treatment guidelines
- Develop an effective strategy for educating patients with HCV infection, taking into account side effect management, adherence concerns, and avoidance of drug interactions
- Describe how to integrate HCV management into clinical practice
- Review management of special populations, including those individuals co-infected with HIV

ADDSICION MEDICINE & PHARMACY: OBSTACLES TO TEAMWORK UAN #0025-0050-16-003-L01-P | Application-based
- Discuss current treatment algorithms for the management of special populations, including those individuals co-infected with HIV
- Identify non-pharmacological interventions to optimize management of HCV
- Analyze patient cases in terms of comorbidities, allergies, dosing, medication history, and adverse effects

STREETWISE DISCLOSURE: MCPHS University adheres to the ACPE Standards regarding commercial support of continuing pharmacy professional education. The University discloses any commercial relationships that may present a conflict of interest. These disclosures also relate to the topics of the educational activity, that relevant conflicts of interest are resolved, and that all speakers will disclose any unidentified/unsuspected use of drugs or devices during their presentation. Detailed disclosures will be made in the course materials. MCPHS University reserves the right to cancel this program due to an insufficient enrollment, in which case a full refund will go to participants. MCPHS University will not be responsible for travel expenses incurred by the participant in the unlikely event that the program is cancelled.

PAID PRESCRIPTIONS: TO FILL OR NOT TO FILL, THAT IS THE QUESTION UAN #0025-0050-16-004-L03-P | Knowledge-based
- Outline recent changes to Massachusetts pharmacy law.
- Review and utilize the Massachusetts pharmacy compliance inspection tool in the practice setting
- Properly implement naloxone standing orders
- Describe the process and requirements of mandatory reporting of required events

ONLINE HOME STUDY: YOU’RE MAKING MY BLOOD BOIL: INJECTABLE OPIOIDS AND MANAGEMENT OF RESISTANT HYPERTENSION UAN if Available at any time
- Discuss blood pressure (BP) goals and treatment strategies for hypertension (HTN) management as outlined in JNC 7 and updated in JNC 8 guidelines
- Review treatment options for HTN management, including clinical pearls and place in practice
- Identify approaches to treating resistant HTN, including the use of third and fourth line agents
- Identify non-pharmacological interventions to optimize management of HTN
- Analyze patient cases in terms of comorbidities, allergies, dosing, medication history, and adverse effects.
AGENDA

7:00 AM – 8:00 AM Registration and Continental Breakfast / Exhibits
8:00 AM – 8:30 AM Welcoming Remarks & Pre-Activity Assessment
8:30 AM – 10:00 AM Aging into the Gray Area: Guiding Principles for the Primary Care Management of Older Adults
(Kristin M. Zimmerman, PharmD, CGP) – 1.5 credits
10:00 AM – 10:15 AM Break / Exhibits
10:15 AM – 11:45 AM Hepatitis C Roadmap: Where We’ve Been, Where We Are, and Where We’re Going
(Karen M. Ryle, MS, RPh) – 1.0 credit (Law)
11:45 AM – 1:15 PM University Groundbreaking
1:15 PM – 1:30 PM Addiction Medicine & Pharmacy: Obstacles to Teamwork
(Stuart Gitlow, MD, MPH, MBA, DFAPA) – 1.0 credit
1:30 PM – 2:00 PM Painful Prescriptions: To Fill or NOT to Fill, That is the Question
(Karen M. Ryle, MS, RPh) – 1.0 credit (Law)
2:00 PM – 3:00 PM Pharmacy Law: Keeping Up with the Pace
(Co-Tutors: Thomas, MPH, MPH, MBA) – 1.0 credit
3:00 PM – 4:00 PM Post-Activity Assessment & Closing Remarks
4:00 PM Adjournment

ONLINE HOME STUDY: You’re Making My Blood Boil: JNC Update and Management of Resistant Hypertension
(Ricky B. Thurna, PharmD) – 2.0 credits

COMPLETE THE REGISTRATION FORM | 3 WAYS TO REGISTER!

ONLINE  FAX  MAIL

The 76th Annual Conference Honors Dr. Laura del Fabbro for her lifelong dedication to the service of the University and bears her name in recognition of her role in conceiving the program in 1941. It was established as an opportunity for pharmacists to keep abreast of changes in the profession and for alumni to visit their former teachers and new faculty.

GOALS AND OBJECTIVES

Upon conclusion of this activity, participants should be able to:

1. Describe the role of the pharmacist or pharmacy in the management of hypertension, including clinical pearls and place in therapy.
2. Review and utilize recent changes to Massachusetts pharmacy law.
3. Explain the pharmacist’s role in dispensing nasal sprays to patients with controlled substances.
4. Assess the degree to which follow-up is necessary relating to the topics of the educational activity, that relevant conflicts of interest are resolved, and also that speakers will disclose any financial relationships that exist with companies/organizations making pharmaceutical products related to the topics covered.

Statement of Disclosure: MCPHS University adheres to the ACPE Standards regarding commercial support of continuing pharmacy education. Therefore, the manner of offering the conference is in accord with standards of the American College of Pharmacists relating to the topics of the educational activity, that relevant conflicts of interest are resolved, and thus that speakers will disclose any financial relationships that exist with companies/organizations making pharmaceutical products related to the topics covered.

PAINFUL PRESCRIPTIONS: TO FILL OR NOT TO FILL, THAT IS THE QUESTION

UAN #0255-0000-16-002-L01-P | Application-based

- Outline the pharmacists’ corresponding responsibility when dispensing controlled substances.
- Describe the risk involved in dispensing high dose opioids to opioid-naïve patients and calculate the morphine equivalent dose from other opioids.
- Improve compliance with proper dispensing regulations and discuss the liability that may result from a pharmacist’s improper dispensing of controlled substances.
- Explain the pharmacist’s role in dispensing nasal medications in various practice settings.

PHARMACY LAW SHIFTS: KEEPING UP WITH THE PACE

UAN #0255-0000-16-003-L03-P | Knowledge-based

- Explain recent changes to Massachusetts pharmacy law.
- Review and utilize the Massachusetts pharmacy compliance inspection tool in the practice setting.
- Properly implement racemic standing orders.
- Describe the process and requirements of mandatory reporting of required reports.

Online Home Study: You’re Making My Blood Boil, JNC Update and Management of Resistant Hypertension

UAN #0026-0000-16-004-L03-P | Knowledge-based

- Discuss blood pressure (BP) goals and treatment strategies for hypertension (HTN) management as outlined in JNC 7, updated in JNC 8 guidelines.
- Review treatment options for HTN management, including clinical pearls and place in practice.
- Identify approaches to treating resistant HTN, including the use of third and fourth line agents.
- Identify non-pharmacological interventions to optimize HTN management.
- Analyze patient cases in terms of comorbidities, allergies, dosing, medication history, and adverse effects.

STUDENT FEES: Rollins College Sponsors the right to cancel this program due to insufficient attendance, in which case a full refund will go to participants. MCPHS University will be responsible for travel expenses incurred by the participant and will verify that the program is cancelled.

LINDA M. SPONDER, PharmD, BCPP (AD-IO), FASHP
Executive Director, Pharmacy Practice, MCPHS University
Clinical Pharmacy Specialist in Infectious Diseases, Saint Vincent Hospital

EVALUATION
- Elicit feedback from attendees regarding the overall merit of the program.
- Request attendees to evaluate the content and purpose of the program.
- Evaluate the setting of the program.
- Evaluate the professional development of the pharmacist.
- Evaluate the educational delivery of the pharmacist.
- Evaluate the clarity of the presentation.

Questions? Contact MCPHS CE at continuing.education@mcphs.edu or 617-732-2281.
